

Name: _____

Activity sheet

Brainbox

Put your number and word skills to the test with these tricky money puzzles.

ADD IT UP!

Figure out where these coins fit in the grid. Each row across and each row down must contain four different coins. Write the amounts in the boxes and cross off each coin as you use it.

			
			
			
			

TOP TIP

Each line should add up to 37p.

COINWORD

Fill in these money words on the grid.

PURSE	S	SPEND
